Any waiver by the Authority of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach of such provision or any other provision of this Agreement. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the remedies available to that party.
24. **Severability:** Each provision of this Agreement shall be treated as a separate and independent clause and any decision from a court of competent jurisdiction to the effect that any clause or provision of this Agreement is null or unenforceable shall in no way impair the validity, power or enforceability of any other clause or provision of this Agreement.

- b) Charges for production of radio and television commercials and for any media upon which advertising materials are placed (including, without limitation, videotapes, DVD-ROMs, CD-ROMs, slides, and slide film) will be billed at the rates charged by the producers of such materials. In connection therewith, there will also be the following charges: for a quantity that is in excess of the Contractor's normal number of production visuals (storyboards) that the Contractor delivers to the Authority, which shall be approved by the Authority, or for a type of production visual (storyboards) that is different than the Contractor's normal production visuals that the Contractor delivers to clients, which shall be approved by the Authority, the Contractor will bill the Authority at the rate of \$190.00 per hour (if the work is done by the Contractor's own employees) or at the cost actually charged to the Contractor's if the work is done by a third party.

 - b) If the Contractor handles payments and records for taxes and withholdings on payments to talent, the Authority will reimburse the Contractor at cost for out-of-pocket expenses paid including employer taxes on payroll and other employer payments required by law. If the Contractor arranges for talent payments to be made through a third party retained by the Contractor, the Authority will reimburse the Contractor for out-of-pocket expenses incurred or paid for employer taxes on payroll and other employer payments required by law plus the handling fee charged by any third party retained by the Contractor to make such payments and maintain such records.
 - c) The Authority acknowledges and agrees that the Contractor is or may become a signatory to certain union or guild agreements (the "Union Agreements"), including the Screen Actors Guild Commercials Contract and the American Federation of Television and Radio Actors Commercials Contract, governing the hiring and use of performers in commercial materials and that the production and use of commercial materials produced by the Contractor on the Authority's behalf therefore will be subject to the terms and conditions of these Union Agreements.
 - d) The Authority will be responsible for paying the Contractor all amounts that may be due pursuant to these Union Agreements. Accordingly, the Authority agrees to indemnify and hold the Contractor harmless from any claims asserted by any guilds or unions for nonpayment or underpayment of performers or the guild or union in connection with the production and/or use of any materials produced by the Contractor on the Authority's behalf, whether such claims arise or are asserted during or after the term of this Agreement. Prior to the Contractor's delivery of any commercials to the Authority or to any stations or other media or venues (or at any other time that the Contractor reasonably requests), the Authority agrees to complete and sign a union or guild form of Transfer of Rights/Assumption Agreement with respect to such commercials.
 - e) If this Agreement is terminated for any reason, then any contract that the Contractor has entered into with talent, shall, simultaneously on the effective date of such termination, be automatically assigned to the Authority or to the Authority's agent. The Authority shall assume all of the rights and obligations under such contracts arising thereafter and the Contractor shall be relieved of any further responsibility or liability with respect thereto.
6. **Media and Production Billing:** In accordance with the generally recognized principle that the Contractor will not be required to finance the advertising program of the Authority, the parties agree to the following billing and payment procedures:
 - a) In contracting for advertising space and time in any of the media, the Authority hereby authorizes and agrees that the Contractor may contract with media on the Authority's behalf on the basis of sequential liability, whereby the Contractor will be solely liable for payment to the extent that amounts have cleared from the Authority to the Contractor for advertising to be placed and the Authority will be solely liable to media with respect to payments for such placement to the extent that such amounts have not cleared to the Contractor.

- b) Media Billing. Media billing, based on estimated expenditures, and the timing of the Authority's payments shall be in such a way as to ensure that the Authority's payments will be received prior to the earlier of the Contractor's release of funds or the Contractor's guaranteed financial commitment to the media. Original media billing will be based on the cost of the media time or space ordered by the Contractor on the Authority's behalf and will be adjusted to actual amounts once the media invoices have been received and processed.
- c) Production Billing. Original production billing will be based on 100% of the approved job estimate and will be invoiced as outlined in Scope of Work and/or Cost Estimates annexed by this agreement under the Attachment A section.
- d) Adjustments to Estimates. The Contractor shall advise the Authority at the earliest time practicable of the likelihood that costs may exceed the Contractor's estimate for such work. The Contractor shall seek the Authority's approval if incurred expenses are anticipated to exceed 5% of an approved estimate. In no event, however, shall aggregate fees, costs and expenses incurred under this Agreement exceed the agreed upon fees, costs and expense cap set forth in Attachment A.
